Hi Penny,

Thank you for the invitation to join you and some of the concerned parents to tour the Malibu High School. Let me look at my calendar and get back to you with some possible dates sometime in the next month or so. Since we are in ongoing discussions with the school district regarding the PCB concerns at the High School, my staff will reach out to district staff to facilitate a tour that works for everyone's schedule. Abi will be in touch with you in the next couple weeks to try and schedule a date.

I look forward to seeing you.

Jared

Hi Jared, I sent a request to see if we could schedule a tour of the schools in Malibu. Wondered if you have had time to review and see about scheduling something. This is a lot easier getting in and out of than Ontario airport. And I'm sure you have some events and meetings in the LA area. Hope we can arrange something. Thanks, Penny
